Message to All Carolinas GCSA Members

COVID-19 Update

Dear Fellow Carolinas GCSA Members,

Over the last several weeks, our world has been in a state of confusion. It’s gone from the usual advice, “wash your hands often,” to late last week when we heard about the Players Championship being canceled, the Masters postponed and even large companies closing for a couple weeks. Then Saturday morning, the Governor of NC closed all public schools in the state for the next 14 days. Yesterday, the Governor of SC closed all public schools in the state until the end of March.

It’s difficult to predict where it goes next with containment the objective. I think it’s smart to develop contingency plans in case this is extended to all employees. Perhaps it’s worth starting a dialogue with your supervisor about the minimum amount of maintenance that will need attention in the event your staff is required to stay home. How and what will get done while minimizing contact with others. Be prepared to explain what can happen to your facility without that minimum amount of care. Finally, your health and your families health is the utmost priority, as it should always be. Focus on loved ones and with a little proactive thought, we can all weather this storm with minimal disruption.

Feel free to contact the Carolinas GCSA if you have any questions or need support. You can reach Tim Kreger, Executive Director at 864-616-2910 or tkreger@cgcsa.org; Angie Davis at 864-313-3991 or adavis@cgcsa.org for Advertising/Accounting/Conference & Show questions; Kim Clark at 864-430-2174 or kclark@cgcsa.org for Local Association Dues/Membership/Meetings; Melissa Smith at 864-884-3947 or msmith@cgcsa.org for Carolinas Membership/Employment Referral Service/Rounds4Research questions. While we are all new to this, we will continue to serve our members like we do at all times throughout the year.

Stay safe, keep washing your hands and avoid touching your face.

Sincerely,

Brian Stiehler, CGCS, MG
President, Carolinas GCSA
